

**COUNTY OF WESTCHESTER
INDUSTRIAL DEVELOPMENT AUTHORITY**

MISSION STATEMENT:

The mission of the County of Westchester Industrial Development Agency is to strategically provide resources and encourage economic investment and job growth within Westchester County. These efforts should result in improved economic well being for the private and corporate citizens of the county. This mission will be advanced by judiciously using its authority to offer qualified project applicants exemptions of sales and use, and mortgage recording taxes, issuing tax exempt bonds, and adopting Payment In Lieu of Taxes which have been approved by the local affected municipalities.
